

School Schedules for Inclement Weather Days

Code 4 – Distance Learning Day

Classes will function the same as our distance learning model used each Wednesday. only exception is **the start time will be at 10:00am on Code 4 days** to give teachers and families time to adjust their plans to the poor weather environment. Teachers will provide the daily schedule and method of live meets for a Code 4 day on their CANVAS page. Parents/guardians should call the office and provide an applicable excuses if students are absent on Code 4 days.

- To give teachers and families time to adjust to the weather and learning environments, **school will not begin until 10:00am.**
- Students will be provided instruction in a distance learning environment from **10:00am - 3:00pm.**
- Teachers may have students’ complete assignments that were pre-loaded onto their computers or students may be asked to complete new assignments loaded on to your teacher’s CANVAS page.
- All distance learning days are considered instructional days where all PK-12 students are expected to participate.
- Schools will track and record attendance in PowerSchool for participation on Code 4 days.
- Students’ work will be graded based on participation and effort.
- Families were surveyed at the beginning of the year for technology needs and internet accessibility of all learners. If a student has a need that has not been identified, please contact your child’s school as soon as possible to make arrangements.
